SHOP STORAGE SOLUTIONS

Get the most from your storage space, with Craftsman.

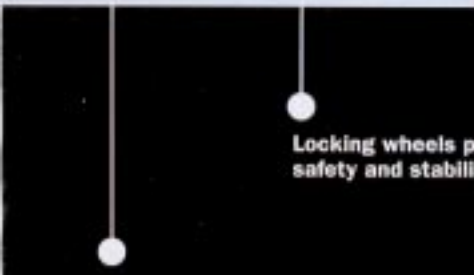

A comprehensive shop storage system that fills 5-, 8-, 12-, or 16-foot spaces with dedicated workstations and organized storage. Create the solution that's right for your space with great combinations of customizable components.

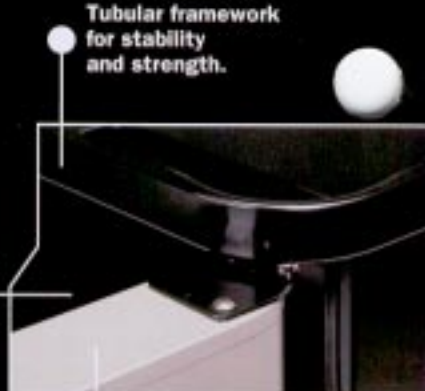

I-frame construction provides greater strength than flat-sided mobile cabinets.

Locking wheels provide safety and stability.

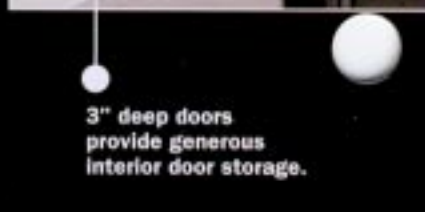

All steel construction in baked-enamel finish.

Tubular framework for stability and strength.

Works well in tight spaces. Zero clearance doors allow units to be positioned close to a corner wall or near other units.

3" deep doors provide generous interior door storage.

Horizontal bracing bar in the front adds stability.

Heavy-duty workbenches with steel support legs and built-in shelves withstand 2500 lb. loads.
